Let's RESPECT everyone, BE Safe!

Listen to our declaration
Listen to our testament
We've been given a revelation
We are sure of where we stand
So let the banner be unfurled
We've found the light of hope in a dying world
Hear the myth of modern man
You're the god of your own land
They call you weak, a spineless fool
Say you've given up your right to rule
But I have been to the land of me
And I know I was never free
Freedom came when I gave it all away
That's why I call it independence day
Let the rockets blaze across the sky
Raise the flag of faith up high
Let the doubters call it what they may
It's independence day
The world can crown another hundred kings
But I believe in a better dream
They may call it slavery
But the biggest chain I knew was me
So let the idols tumble down
The walls of lies crumble to the ground
I know where salvation can be found
Let the idols tumble down
That's why I call it independence day

Loving God, Loving People is Still the Answer!

Jesus told the story of the Good Samaritan to reveal the Father's heart to us. Take a minute and read it (Luke 10:25-37). A traveler is compelled to rise above the issues of race, gender, religion and politics. He cares for a man who was different on all of these fronts. He shows kindness and mercy. The Father expects the same of us. We should love people without judgement & condemnation regardless of their opinions and backgrounds. As we see our world turned upside down and inside out, remember Loving God & Loving People is still the answer! - Pastor Shawn

Independence

Samuel Adams, the father of the American Revolution, was bold in proclaiming his faith. To him, signing the Declaration of Independence meant no longer submitting to Great Britain, but rather, submitting to the Lord. As a result, America would be free from the power of man and able to serve Christ. What a significant day in history! American liberty is a blessing from God. Because of our freedom, we can express our faith and boldly share it with others. It is important to recognize that in many other parts of the world, this is not the case. The cost of following Christ is much greater for our brothers and sisters across the globe. - *Pastor Shawn*
